All mandatory plays must be from the line of scrimmage and be an active play. Any player who doesn't have their mandatory plays in by Q4 will be placed in the game until they reach their mandatory plays. Notify coaches about any child who has NOT gotten their plays in by the end of the Q3.

Impact players will be removed from the game or placed on the offensive line only when a 18-point advantage is attained. (These positions are defined as: Defense - inside linebackers & defensive ends | Offense -backs.) Once a 30-point advantage is attained, the superior team cannot pass the ball. The clock will become a running clock. DEMONSTRATE GOOD SPORTSMANSHIP AND DO NOT EMBARRASS THE OTHER TEAM.
